

IF I GIVE MY HEART

私の心 差し上げましょう
優しく愛しんで 下さいますか

If I give my heart to you
Will you give me all your love
Will you swear that it be true to me
By the lights the shines apart

And will you sigh with me When I'm sad
Smile with me When I'm Glad
Always be as you are with me tonight

Thinking over and be sure
Please don't answer till you do
When you promise all those things to me
Then I'll give my heart to you

悲しい時に 共に分け合いましょう
心のご返事じゃなく

repeat

DEED I DO

Do I want you
Oh my do I
Honey Deed I do

Do I need you
Oh my do I
Honey Deed I do

I'm glad that I'm the one who found you
That's why I'm always hanging around you

Do I love you
Oh my do I
Honey Deed I do

Ending
Honey, Honey, Do I love you Honey
Deed I do,

MY BABY'S COMIN' HOME

明日は帰る 愛しい人
御馳走拵え 迎えましょう

花を飾り お化粧をして
そわそわ待つ この楽しさ
By train By Plane and even over the sea
Bring back, Bring back
Oh! Bring back my darlin' to me

My baby's comin' home
He says he won't deceive me
He promised not to leave me
Never more to roam

独ぼっちはもうたくさん
お留守居なんかもういやよ

今度来たらもう離さない
私は貴方のものだから

IT'S BEEN A LONG LONG TIME

Kiss me once then kiss me twice
Then kiss me once again
It's been a long long time

Haven't felt like this My Dear
Since can't remember when
It's been a long long time

You never know how many dreams
I dream about you
Just How empty they all seems about you

So kiss me once kiss me twice
Kiss me once again
It's been a long long time

repeat

EXACTLY LIKE YOU

I know why I waited
Know why I've been blue
Pray each night for someone
Exactly like you

Why should we spend money
On a show or two
No one does those love scenes
Exactly like you

You make me feel so Grand
I want to hand the world to you
You seem to understand
Each foolish still the scheme I'm scheming
dream I'm dreaming

Now I know why mother
Taught me to be true
She meant me for someone
Exactly like you

She meant me for someone
Exactly like you

YOU'VE GETTING TO BE A HABIT WITH ME

Every kiss Every hug
Seems to act just like a drug
You've getting to be a habit with me
Let me stay in your arms
I'm addicted to your charms
You've getting to be a habit with me

I use to think your love was something and I
could
Take or leave alone
But now I couldn't do without my supply
I need you for my own

Oh I can't break away,
I must have you Everyday
As regularly as coffee or tea

You've got me in your clutches and I can't
get free
You've getting to be a habit with me
Can't break it
You've getting to be a habit with me,

AGAIN

アゲイン
帰り来ぬ日よ
優しい戀の日
乙女の日よ

ああ
憧れを秘め
捧げた祈りも
全ては貴方の為

固く誓いを交わした時から
胸に燃え続けて
消えぬ愛の焰

喜びの日は
再び帰らぬ
帰り来ぬアゲイン

Mine to hold as I'm holding you now
And yet never so near
Mine to have When the now and the here
Disappear What matters Dear
For when

This Doesn't happened Again
We'll have this moment forever
But never never
Again

ILULLABY OF BIRDLAND

Here's Lullaby,a different lullaby

Lullaby of Birdland that's what I always hear
When you sigh
Never in my wordland Could there be words
To reveal in a phrase how I feel

Have you ever heard two turtle doves
Bill and coo when they love
That's the kind of magic music
We make with our lips when we kiss

And there's a weepy ol' willow
He really knows how to cry
That's how I'd cry in my pillow
If you should tell me farewell and goodbye

Lullaby of Birdland whisper low
Kiss me sweet and we'll go
Flying high in Birdland
High in the sky up above
We're in love
repeat

VAYA CON DIOS

Now the hacienda's dark the town is sleeping
Now the time has come to part , the time for weeping

Vaya con Dios my darling
May God be with you my love
Now the village mission bells are softly ringing
If you listen with your heart
You'll hear them singing
Vaya con Dios my darling
May God be with you my love

Where ever you may be I'll be beside you
Although you're many million dreams away
Each night I'll say a prayer, a prayer to guide you
To hasten every lonely hour of every lonely day
Now the dawn is breaking through a gray tomorrow
But the memories we share are there to borrow
Vaya con Dios my darling
May God be with you my love

楽しい夢 思い出よ
二人だけの喜び
忘れないで あの夜を
今頃は何処に いるのだろう

おやすみなさい 恋人よ
街の灯りも 消えました
今宵また 夢で
お話ししましょう

THE MASQUERADE IS OVER

Your eyes don't shine
Like they used to shine
And the thrill is gone
When your lips meet mine

I'm afraid the masquerade is over
And so is love, and so is love

Your words don't mean
What they used to mean
They were once inspired
Now they just routine

repeat

I guess I'll have to play Pugliacci
And get myself a clown's disguise
And learn to laugh like Pugliacci
With tears in my eyes

You looked the same
You're lot like the same
But my heart says no, no
You're not the same

repeat

And so and so is love,

SLEEPY MY LOVE

Dancing all night long
Singing but one song
Here in my arms you've danced
And now you are sleepy my love
Now the dawn is near
Still one song I hear
And as we dance your eyes are closed
You're sleepy my love
All the long night through
Dancing with but you
It is a joy to hold you
Close to my heart ,my love

And my song is of the day when you
Will always be near
When you 're sleepy my love

repeat

Knock me a kiss

I like cake, no mistake, Baby if you insist,
I`ll cut out the cake, for your sake,
Baby ,C`mon and knock me a kiss.

I like pie, I hope to die, just to get of load of
this,
When you get high doggone the pie,
Baby C`mon and knock me a kiss.

When you pressed your lips to mine, t`was
then I understood.
They taste like candy, Brandy and wine,
Peaches, bananas, and Everything fine,

I like jam, no flim flam, scratch them, off my
list,
This ain`t no jam, the jam can scam,
Baby C`mon and knock me a kiss.
